REMARKS

As indicated by the Examiner and as acknowledged by the Applicant, claims 26, 27, 32-38 and 41-46 remain pending in this application. Claims 1-25, 28-31, 39, 40 and 47-60 have previously been cancelled. Claim 26 has been amended via this paper to more clearly define the invention. It should be understood that all claims and claim limitations should be construed as including all equivalent structure and function within the respective scope of protection. The Applicant would like to thank the Examiner for her efforts with regard to the Official Office Action, dated May 12, 2009, related to the above referenced application. The Applicant also wishes to express appreciation for the timeliness of the Official Office Action and to thank the Examiner for her courtesy extended to Applicant's representative Mr. James E. Shultz Jr. during a personal interview held on August 25, 2009. The substance of this personal interview is memorialized in the Examiner's interview summary, as well as, herein.

Turning to paragraphs 1 and 2 of the Office Action, the Examiner has rejected claims 26, 27, 32-38 and 41-46 under 35 U.S.C. §112, first paragraph, as failing to comply with the enable requirement. As discussed during the personal interview, the Applicant respectfully submits the accompanying amendments to claim 26 to address this rejection. Support for the corresponding amendments can be found throughout the original specification and specifically the last sentence of paragraph [0051].

The Applicant respectfully submits that claims 26-27, 32-38 and 41-46 are in condition for allowance. No new subject matter has been added via the amendments to the claims presented in this paper. Therefore, the Applicant respectfully requests that the Examiner reconsider this case. The Applicant submits that this case is now in condition for allowance. The Applicant, therefore,
